

Fall 2011

Welcome Back, Mark Twain Families!

Last year in February, the PTO sponsored a motivational speaker to come and talk with our Brentwood students about understanding, compassion, and diversity.

“All it takes is *one person* to make a difference,” said Brad Cohen, author of Front of the Class, during a speech to Brentwood fourth through eight grade students in the high school auditorium. “My challenge to you today is to be that *one person*.”

The Mark Twain Elementary PTO’s mission is to provide our students an enriched learning experience as they grow and mature through these formidable years. We provide fun, interactive, and stimulating activities (think talent show!) that give our kids education beyond the classroom setting. We are the parents and participants committed to our children, our school, and our Brentwood.

Each school year the PTO’s challenge is to provide the resources necessary to fund the schedule of student activities, and this year is no different. As a registered non-profit, the Mark Twain PTO manages its resources with the sole purpose of providing your children events that enrich their learning experience.

Our challenge to you today is to be that *one person* who commits their support to the PTO. Your gift to support the mission of the Mark Twain PTO helps our children have opportunities that create lasting memories of their youth. We also encourage you to ask other committed family and friends to support the Mark Twain PTO.

Thank you in advance for your support. Simply fill out the enclosed form and send it back with your gift.

Sincerely,
Mark Twain PTO
